# FUTURE of EUROPE

TRAVEL  
Hydrogen cars,  
Planes etc  
More Home office working  
Local working includes  
walking to work  
Car sharing  
No borders, same currency

HEALTH

COMMUNICATION

Working together in Europe  
environment issues eg flood control  
Setting an example to other countries  
Sharing knowledge, statistics, etc  
Health issues  
Implants for communicating

FAMILY

Home Environment - hydrogen heating  
- improved housing - more efficient  
- water use of rainwater, fr. toilets etc.  
washing machines  
- less meat, seasonal food

ENVIRONMENT

Climate warmer  
More recycling  
Less packing  
Flood control

EDUCATION

Co-funded by the  
Europe for Citizens Programme  
of the European Union
